

REMARKS

By this Second Supplemental Amendment, it is proposed to correct an error made in the presentation of one of the changes to be made to the specification in the Supplemental Amendment dated August 27, 2003.

Applicants note, as well, that there is a typographical error in Claim 253, in line 17 of which the indefinite article --a-- should have been included before the phrase "planar surface". This error will be corrected in the next Amendment.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
